BUSA represents South African business on macro-economic and high-level issues that affect it at the national and international levels. BUSA's function is to ensure that business plays a constructive role in the country's economic growth, development and transformation and to create an environment in which businesses of all sizes and in all sectors can thrive, expand and be competitive.

Admission free by invitation only. Please reply to the email to reserve your place at the Business Breakfast. Seating is limited so attendance is on a first come, first served basis. You will receive a confirmation e-mail after successfully registering your intention to attend.
